An opportunity for a **NEW COMMUNITY BUILDING**

As part of the development on Burton Road a community building is to be built for the benefit of Tutbury and it's residents.

A committee has been created to establish potential users and determine requirements prior to finalisation of building plans later this year.

Do you have a view on the use of the building?

Do you or your group have potential use for the building?

Could you be interested in helping to run the building?

For further information, or to register your interest, please telephone Pete Steadman 01283 – 812937 or e-mail tutcommbuild@yahoo.com

The next meetings of the committee are scheduled for 16th March and 13th April , 7:00PM, at the Tutbury Club (formerly the Institute), Tubury High Street.
