

## **The energyshare Launch Fund**

### **Funding Offer Letter**

**Community Group Name:** Tutbury Ecopwer

**Community Group Address:**.....

In order to be entitled to the Funding and additional items outlined in this letter, you on behalf of your Community Group will be required to sign both this Funding Offer Letter as well as the attached Letter of Commitment which together constitute the agreement between you and the Energy for Tomorrow Fund.

### **Funding**

Subject to being successfully selected through the energyshare Public Vote, the Energy for Tomorrow Fund will be prepared to offer your Community Group funding in-kind of up to £75,000 by way goods and services or payment of Purchase Orders in order to assist you in meeting your aims and objectives as outlined in your energyshare Application Form.

### **Additional items**

1. The amount of funding available is to be decided based on feasibility reports and quotes received by the Energy For Tomorrow Board
2. Funding must be used to install up to 35 KWp of Solar PV as outlined in your application and in line with the scope of funding criteria as detailed in section 4

### **Key Performance Indicators**

1. Report back on how revenues being generated through the FiT scheme are helping you meet your objectives of helping and educating the wider community and investing in other energy projects.

Please sign one copy of this Letter to confirm your agreement to it and return it to us. Please retain one copy for your records.
