Travel tips

Seat reservations are free of charge and can be made when you buy a ticket. Many can be reserved up to three hours before the train departs from its origin station. For a more comfortable journey please make a seat reservation.

Making connections need not be a hassle. However there are minimum connecting times which you should check before you buy a ticket. Connections cannot be guaranteed but we will make every effort to minimise disruption to your journey.

International connections are possible by many of our trains arriving into London Euston, which connect with Eurostar services from St Pancras, so you can get to Paris and many other great destinations without seeing an airport! For more information on great fares available and how to book go to: www.virgintrains.com

Luggage can be carried on our trains, however we ask that you bring no more than you can comfortably carry.

Bikes and pets may be carried onboard most trains, however you need to make a cycle reservation in advance. Once at the station, please ask where you should wait with your cycle so that you can board quickly. Ask for full details when buying your ticket.

All Virgin Trains services are non smoking

Customers travelling at weekends should note that ongoing route modernisation work may cause last minute changes to this timetable. You are advised to check train times before travelling. See 'Useful numbers & web addresses' for contact details.

We wish you a very pleasant journey

Add **PLUSBUS** to your train ticket. It gives you **unlimited bus travel** around town, at the start, the finish, or both ends of your train journey. Each town with a **PLUSBUS** ticket has one zone covering the whole urban area - you can travel as much as you like on participating bus operators services within this zone.

A **PLUSBUS** ticket can **save you money** and is **more convenient** than buying separate tickets for each part of your journey. PLUSBUS costs a set amount each day, in addition to your train fare and can be added to most train tickets. Prices start from around £2 a day. Children (aged 5 to 15 years) pay half-fare. Railcard holders benefit from one-third off **PLUSBUS** ticket prices.

Ask for **PLUSBUS** when buying your train ticket at the station, name the town you want bus travel around. **PLUSBUS** season tickets are now available to over 100 towns and cities - ideal if you're a commuter!

On this timetable, **PLUSBUS** tickets are available to stations shown with the **symbol**.

For all **PLUSBUS** ticket prices, to view town zone maps and for details of participating bus operators, visit: www.plusbus.info

During the validity of this timetable, engineering work may take place on some weekends. This timetable shows the basic service for Saturdays and Sundays, but variations may occur. Please check your weekend travel details immediately before travelling with National Rail Enquiries or at virgintrains.com/changeforgood

Our Services are divided into six routes. • Routes A, B, C, D and E run from London Euston to the West
