Cat Weatherill is a feisty storyteller and engaging performer who has many years of experience performing across the UK, Europe and further afield. She uses her fiery energy and theatrical style to tell uplifting short stories.

They say that a walk amongst trees is one of life's greatest free pleasures. This show is a celebratory feast of facts, folklore, traditional village wisdom, curious superstitions, mythology, poems and songs.

Cat performs against a slideshow of woodland photos by the acclaimed photographer and forester Phil Hinton, to create an enchanting, sylvan atmosphere.
