## TICKETS FOR TRAVEL

Tickets can be purchased from the ticket offices or self service ticket machines at Crewe, Derby, Kidsgrove and Stoke-on-Trent stations. Travelling from other stations on the route you can buy the full range of tickets from the Train Manager on board your train.

**Anytime tickets** allow you to use any train for a single or return journey.

**Off-peak tickets** are for travel after the morning rush hour. There is also a range of **railcards**, offering up to 1/3 off the cost of travel. Apply for these at any staffed station or online. Visit [railcard.co.uk](http://railcard.co.uk) for details.

**GroupSave** is a discounted ticket available on selected off-peak services. On the Crewe-Derby service, GroupSave gives a 34% discount on the adult fare for groups of 3 to 9 people travelling together. Up to 4 accompanying children travel for £1 each.

**Season tickets** are available for periods between 1 week and 1 year, offering good value if you travel almost every day, especially if you need to travel during peak hours. The first time you buy a season ticket, take a passport-sized photograph of yourself to a station ticket office. (1 week season ticket renewals can be purchased on board).

## RAIL AND BUS TICKETS

**Plusbus** and **Derbyshire Wayfarer** are both types of combined rail and bus ticket, allowing you ease of travel using public transport. For more information visit [plusbus.info](http://plusbus.info) or [derbyshire.gov.uk](http://derbyshire.gov.uk) respectively.
