Chiltern Railways

If you think our way, travel our way.

Message from the Chairman

Hello, and welcome to Chiltern Railways' winter timetable.

Your Mainline is coming!

Chiltern Mainline will transform rail travel to London from your local Chiltern Railways station, reducing journey times by an average of 20%. That means you will be able to get to London from:

- Birmingham Moor Street in just 1 hour 40 minutes
- Warwick Parkway in only 1 hour 15 minutes
- Haddenham & Thame Parkway in only 36 minutes
- High Wycombe in only 22 minutes
- Gerrards Cross in only 18 minutes

These improved times will be available during 2011.

Making your Mainline happen

Your Mainline will be delivered through major upgrades to track and infrastructure so that trains run faster. To keep inconvenience to a minimum, most work will take place at evenings and weekends. There will be some occasions where we have to undertake work on weekdays too. Stay informed about planned changes by registering for alerts at www.chilternrailways.co.uk/mainline or by reading special posters at stations.

Changes from December 2010

Services on our Aylesbury line are generally unaltered in this new timetable. But we have made a number of important changes on our Birmingham – London route:

- Faster services with fewer stops for many trains.
- 1 train an hour will start and terminate at Birmingham Moor Street.
- New 'shuttle' service between Birmingham Moor Street and Leamington Spa, serving smaller stations, connecting to/from fast London trains.

These are the first steps towards the full Mainline service in 2011, which will offer an even better service for most of our passengers.

For more information on our plans, on any timetable changes, on our great value fares and on ideas for days out just visit www.chilternrailways.co.uk

Thank you for travelling with us.

Adrian Shooter

If you lose something on one of our trains or stations you can report it by:

Lost Property Office Operating Hours: Mondays to Fridays 1200 to 2000. Please allow up to two weeks for processing lost items. If you do not hear from us in that period, you should assume the item has not been found.

Clubman trains

Most of our West Midlands – London services are run with our 100mph 'Clubman' trains. These were designed with a lot of input from our passengers and offer greater comfort for longer distance journeys. They feature laptop-friendly tables to work at, power points in all seating areas, seats with greater shoulder and leg room, big picture windows, air conditioning, dedicated wheelchair areas, ample toilet facilities (including baby changing and room for wheelchairs) plus a 'quiet' (mobile phone-free) carriage per train. Clubman trains are shown in the timetables with a  symbol.

No smoking

Smoking is not allowed on any of our stations or trains. No smoking areas are clearly signed. Please respect the law and do not smoke where the ban applies.

Bikes on trains

You can take your bike (except tandems) on any Chiltern Railways train on Saturdays, Sundays or Public Holidays.

On Mondays to Fridays you can also use most of our trains. The only exceptions are our busiest peak hour services, where bikes are not allowed at any point during the journey on any train:

- Arriving London Marylebone or Birmingham Snow Hill from 0745 to 1000
- Leaving London Marylebone or Birmingham Snow Hill from 1630 to 1930

We are sorry, but bikes can not be taken on rail replacement buses at any time. There are no restrictions on folding bikes at any time, provided they are fully folded. For information about cycle storage facilities at our stations see our website.

By phone: 08456 005 165 (0800 - 2200)

Use any major credit or debit card. Tickets will be sent by first class post or you can collect them from the FastTicket machines at most of our stations.

In person:

Buy tickets for any UK rail journey at all our staffed stations. At most stations you can also book seats for those National Rail services which offer reservations.

Business accounts

If you're buying train tickets on behalf of a company, large or small, our free Business Travel Service may be able to help. Simply tell us your requirements and our team will arrange your tickets for you.

Phone: 01494 420 177 (0915 - 1700 Mon-Fri)

Getting the right tickets

We have a wide range of great value tickets to suit everybody's needs - commuters, business travellers, students, senior citizens, families and small and large groups. Check our website for the latest information. Full price 'Anytime' tickets are generally valid on any train. Cheaper tickets, such as Off-Peak Day Returns and Off-Peak Day Travelcards, are generally valid on trains arriving in London after 1000. Our best value bargain 'Advance' tickets may have further restrictions. To avoid being liable for a Penalty Fare please make sure before you travel that your ticket is valid.

Penalty fares

When travelling with Chiltern Railways you must carry a valid ticket for your entire journey. If a station doesn't have a ticket office, or the ticket office is closed, buy a ticket from the self-service ticket machine on the station.

If the ticket you require isn't available from the self-service ticket machine, then you must buy a 'Permit to Travel' from the machine on the station. Where these are not available, you must buy a ticket at the first opportunity during the journey.

Failure to buy a valid ticket for your entire journey may leave you liable to pay a Penalty Fare. This will be £20 or twice the appropriate full single fare to the next station stop, whichever is the greater.

Passenger's Charter

The Passenger's Charter is a statement of our commitment to provide high quality service. It spells out the standards against which we can be measured.

- 93.75% of all trains during peak times to arrive at destinations within 5 minutes of scheduled times.
- 99% of all weekday trains to run.

Posters showing our performance are displayed at our major stations. If we fall short, we'll give discounts on renewal of monthly or longer period season tickets. We'll also compensate you if you're delayed for 30 minutes or more on any leg of your journey with us. Our compensation policy is explained fully in our Passenger's Charter, although we'll consider each claim on its merits. You can download a copy from our website or pick up a printed version at any of our staffed stations.

Pocket timetables

You can pick up pocket timetables for many journeys from the appropriate staffed stations. You can even create your own timetable that's tailor made for the journeys you make, which you can download, save to your computer and print off. Visit the 'Create Your Own Timetable' section of our website.

Connections

Where a connecting train is shown in this timetable, we've allowed sufficient time for you to change trains. You should allow a minimum of 5 minutes if making connections with other train operators' services.

Trains will not normally be held for late running connections.

If you're travelling further afield, the three main 'interchange' stations are Leamington Spa, Banbury and Birmingham Moor Street.

Leamington Spa and Banbury

CrossCountry runs an extensive network from Leamington Spa and Banbury to hundreds of places across Britain, including Southampton, Bournemouth, Manchester, Sheffield, York, Glasgow and Edinburgh.

Birmingham New Street

It's an easy 10-minute walk from Moor Street and trains run to most parts of the UK.

Closing doors

Train doors are closed up to 30 seconds before the train leaves the station to ensure punctual departures.

Travelling between Princes Risborough and Aylesbury

For much of the day, a shuttle train operates the service between Princes Risborough and Aylesbury. It will normally wait up to 10 minutes for late running trains from London and High Wycombe, unless this will cause knock-on delays to other trains on the single line between Princes Risborough and Aylesbury. If we are unable to hold the shuttle, please go to the ticket office, where we will arrange alternative transport. If the office is closed, passenger help points are on platforms 2 and 3.

Unfortunately, we cannot delay London-bound trains at Princes Risborough if the shuttle from Aylesbury is running late. However, should your journey be delayed by 30 minutes or more as a result, you are entitled to compensation as per our Passenger's Charter, copies of which are available at all our staffed stations.

Safety information

In almost all emergency situations it is safest to stay on the train and then listen for instructions from a member of staff.

If you are in immediate danger and have to leave the train, avoid walking on the track. Remember that other trains may still be running.

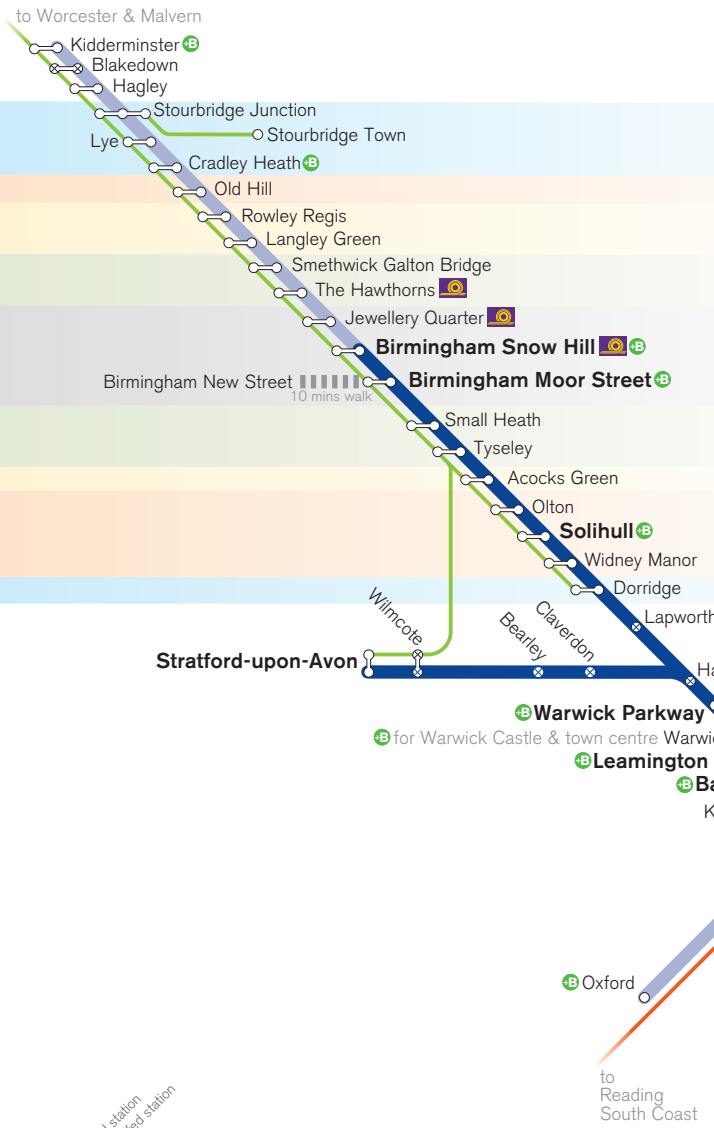

If possible, exit directly onto a walkway or embankment.

Whenever you travel with us, please make sure that you familiarise yourself with the safety instruction posters carried on every train. These can normally be found by the doors.

These instructions may vary slightly depending on the type of train. Please check each time you travel.

Fire extinguishers are carried on every train. Please acquaint yourself with their locations.

Buses

Add PLUSBUS to your train ticket for unlimited bus travel around town, at the start, finish, or both ends of your train journey. Each town with a PLUSBUS ticket has one zone covering the whole urban area - you can travel as much as you like on participating bus operators' services within this zone. PLUSBUS costs a set amount each day, in addition to your train fare and can be added to most train tickets. Prices start from just £1.60 a day, with most around £2 to £3 a day. Children (aged 5 to 15 years) pay half-fare. Railcard holders benefit from one-third off PLUSBUS prices. Ask for PLUSBUS when buying your train ticket.

On the Chiltern Railways network PLUSBUS tickets are available to/from: Aylesbury, Banbury, Birmingham, Cradley Heath, High Wycombe, Kidderminster, Leamington Spa, London, Solihull, Warwick and Warwick Parkway.

Engineering work calendar

Upgrade work to create your new Chiltern Mainline will be taking place until May 2011. We expect to be able to run train services to all stations on the days shown in green below. On days shown in red some parts of our route will be closed. However, we will do everything we possibly can to minimise the use of rail replacement buses.
