engineering works

Maintenance work on the track and signals normally takes place overnight and at weekends. Planned timetable alterations can be found on our website and on station posters at least two weeks in advance, but it's worth double-checking before travelling.

bank holidays

We will be running amended timetables over Christmas, Easter and the early May bank holiday. Details will be available on our website and on posters at stations.

getting assistance at the station

Call us on 0800 092 4260 if you need some help getting on or off the trains and we'll make the necessary arrangements. Please give at least 24 hours notice if possible.

bringing your bike

Bikes are welcome on board our trains, but please be extra careful when it's busy. On weekdays, only folding bikes are allowed on trains arriving at London Euston between 0700-1000, and departing between 1600-1900. Unfortunately we cannot carry three-wheelers and tandems at any time.
