

Welcome

Welcome to this East Midlands Trains timetable, covering services between Derby and Crewe

In the past few months we have continued to invest and improve our services for you:

- Our new eastmidlandstrains.co.uk website gives exclusive cheaper fares and simplifies buying a ticket for any rail journey in the UK. You can also use 'My Journeys' to get up to date train running and engineering works information.
- We have launched a new facility to allow you to renew your season ticket on our website
- We have installed new self-service ticket machines at Derby and Kidsgrove. We have now installed a total of 65 new machines at stations across our network.
- Network Rail have completed the rebuilding of the platforms at Derby station and we have opened a new First Class lounge.

In December 2009, we introduced a Penalty Fares Scheme to combat fare evasion. If you are able to buy a ticket before you board the train, you must do so. Please see our Penalty Fares leaflet for more information.

We are also pleased that our commitment to train punctuality and performance has continued to pay dividends with performance on our local services improving by over 6% since the launch of East Midlands Trains to 90.3%. We will continue to focus on delivering you with a better service throughout 2010.

Thank you for travelling with East Midlands Trains
