A Vintage Year – Wine Tasting at the W.I.

The December meeting was all about food and wine with members bringing goodies for our traditional “fuddle”.

Robin, ably assisted by his wife Theresa, conducted a blind wine tasting session with a competition.

We dutifully sipped the wine and tried to guess the country and type. The wines were delicious and before long, we were all having a hilarious time, with our guesses about the wine getting wilder by the minute!

All the wines were very reasonably priced and gave us some very good ideas for Christmas.

The competition was won by our former president, Jackie, who certainly seems to know her grapes.

Jackie is pictured left being presented with her bottle of bubbly by Robin.

Tutbury WI in 2010

We start the new year with a visit from Derbyshire Trading Standards.

The work of Trading Standards impacts on us almost every day, whether we actually realise this or not.

The following are just a few examples:

- ✚ Filling the car with fuel – are we getting the correct amount of fuel for our money?
- ✚ Junk mail scams offering “free” holidays
- ✚ Rogue traders who charge extortionate amounts for shoddy work
- ✚ Buying goods on the internet
- ✚ Credit card purchases

Cash is no longer king – we have different rights according to how we purchase and the amounts involved. As well as giving a general insight into the work of Trading Standards, Mark Atherton of Derbyshire County Council Trading Standards will highlight some of the current scams, how we can get our money back if things go wrong and the steps we can take to prevent things going wrong in the first place. There will be an opportunity for questions and examples of counterfeit goods, dangerous toys, misleading food labels etc.

Why not come along on Thursday 14th January 2010 and learn more about your rights?

We always welcome new members and visitors, so please come to the Village Hall between 7 and 7.30 p.m. or contact our secretary, **Elaine Topliss** on **01283 215077**.
