## January Meeting - Fun and Games!

What a night we had! Despite the fog and the icy roads, twenty members turned out to take part in an evening of race course fun and frolics.

After the business part of the evening, the festivities were taken over by our Course manager, Bob Wood. He introduced the runners and encouraged us to adopt the poor orphan horses. We placed our bets and kept our fingers crossed. What with, glasses of mulled wine, bags of (chocolate) money and all that cheering, passers by must have wondered what was going on! Special thanks must go to Bob Wood without whom our evening of fun and games would not have happened. He master minded the whole event and roped in Messrs Bodgett and Scarper to make sure the evening went with a swing. Thank you gentlemen!

Our next meeting is on Thursday 12<sup>th</sup> February and the talk is about forensic science. Don't forget that we host the Appletree Group meeting at the end of March and the competition is "5 bulbs with a twist" so you will want to get those bulbs growing soon!

Would you be willing to give a lift to some of our less mobile members? Do you – or someone you know – need a lift to meetings, maybe when it's icy or wet? If so, please contact Elaine on 01283 215007 or Carol on 01283 813161.

We always welcome visitors, so come to the Village Hall between 7 and 7.30 p.m. on the second Thursday in the month or contact our secretary, **Elaine Topliss** on **01283 215077**. You will find more information about us at [www.tutbury.org/wi](http://www.tutbury.org/wi)
