President Mrs Carol Hall : Tel 813161

November meeting 2009

Fish and chips for all

On Thursday night, 24 members came to the annual general meeting and listened to the end of year reports.

Carol opened the proceedings by welcoming everyone including two new members. She summarised the year, talking about her steep learning curve as a new president.

The secretary then gave an amusing talk about the various events during the year and the treasurer handed over the end of year financial statement. The officers were thanked for their hard work.

Some members of the committee have had to resign, because of other commitments, so we were delighted when four members volunteered to join the committee and support the work.

Tutbury fire service sent two of their finest to talk about safety in the home. Everyone can take advantage of a home visit when fire officers will check smoke alarms and advise on safety. Members who have already received home visits praised the service and recommended it to the rest.

We then tucked in to fish and chips supplied by our local shop, who kindly deliver to our annual meeting. Fish and chips, salt and vinegar and a cup of tea. What a great way to end the evening!

On Thursday 10th December we are having a wine tasting and members bring food for the "Christmas fuddle"
