

On Thursday 8th December 2011, Tutbury W.I. had their Christmas party. Ann Tunley, the newly appointed president, started the proceeding with a thank you to committee members who were stepping down.

This was followed by presentations and hearty thanks to the former president and secretary who both finished their term of office this year. They took up their posts at a time when our WI nearly folded and have given a great deal of time and effort to keeping it running. Thank you Carol and Elaine.

After the presentations the fun began as we played people bingo. We had to find out who had been to school in Tutbury or who had been held up at gunpoint ...!

Ann had arranged a creative hour making table decorations and, as our photos show, we have some very creative members.

But where did this member come from?

In fact this is Arthur who entertains us each year by playing Christmas songs for us to join in.

As always, members had done themselves proud with a range of tasty sweet and savoury foods and we finished the evening enjoying our food and drink and singing favourite carols.

Our next meeting is on Thursday 12th January 2012 7.15 p.m. for 7.30 start. The venue is Tutbury Village Hall, Monk Street, Tutbury, DE13 9NA, and we will be playing all sorts of games. We will also be collecting subs for the new year.
