

## **Tutbury Women's Institute**

### **A Slice of Life – or How to have your cake and eat it!**

On Thursday 10<sup>th</sup> March Tutbury W.I. celebrated their 81<sup>st</sup> birthday at Slice in Tutbury.

The restaurant was decorated with balloons and stars to celebrate our birthday and we all gathered together to enjoy ourselves. We ate some very tasty food, drank and talked – and talked until late into the evening as we enjoyed each other's company. Our local councillor, Liz Staples has been a member for some years and we were delighted that she was able to join us for our celebration.

Our president, Carol Hall very kindly provided a birthday cake for the occasion and two of our long standing members, Nancy Simms and Mary Tipper, cut the cake.

In all, twenty six members were able to join us, which was a very pleasing turn out. We all look forward to the next meeting, on 14<sup>th</sup> April, when we will have some practical advice from St John's ambulance.

Don't forget, Boudica is coming! Tickets will be on sale very soon for her triumphant march into Tutbury Village Hall on 12<sup>th</sup> August.
