

Fun And Games At Tutbury Women's Institute!

On Thursday 12th January, Tutbury W.I. met to welcome in the New Year. The President, Ann Tunley, welcomed four new members and a visitor before introducing the games. As you can see from the photos, we take our games pretty seriously and there were shrieks of "Beetle" as members threw the dice and won a round. Our members certainly drew some very strange and exotic beetles!

After a variety of games it was time for refreshments and we admired the new display boards that have so much information about forthcoming events. Some of us have already signed up for courses at Denman College, the centre for the National Federation of Women's Institutes. Some chose cookery whilst others were intrigued by courses on choosing clothes, which includes a shopping trip; now who could resist that? The competition was for the best New Year's resolution and there were two winners. Tessa wants to climb Machu Picchu and Doreen has vowed to tell George Clooney to stop pestering her.

Our next meeting is on Thursday 9th February at Tutbury Village Hall, starting at 7.30 p.m. Graham & Judy White will talk about the National garden Scheme and the competition is to make a Wedding Favour.

Watch this space for news of a very special visitor this summer! (just a small clue – the lady hath a way with her!).
